*"To make the Average Joe,
Better."*

This FoCo is Battleground Gym. It is a gym that is geared towards self-improvement above all else. It's a place where the average joe can become better than he was yesterday, to become fit physically, mentally, and spiritually.

It would be a local one-of-a-kind gym in a small town, owned and operated by Veterans, created to provide unmatched quantity and quality of equipment that eliminates the need for more than one gym membership.

Battleground's themes would be those of real warriors who graced the battlefield at one time or another such as Spartans, Aztecs, Vikings, and things of a militaristic nature.

Open 24 hours with plenty of modern equipment, locker rooms, saunas and ice baths for recovery, a supplement shop, and gym towel service are just some of the services it would provide.

WARRIORS COME IN ALL SHAPES AND SIZES.
